Opening Words

It was wonderful to immerse ourselves in the Vedanta camp, the first one after almost three years. Students who had joined online classes recently remarked on the ‘world of difference’ of in person teaching.

It is this very immersive learning which is required for an in-depth assimilation of Vedanta. This is possible only in our upcoming gurukulam for which fund-raising efforts are on. Many people need to step forward to be a part of this great *yajña*. Do help us with people, companies, trusts you know who want to make a difference with their donations. Please connect at gurukulam@vedicwisdom.in

The *Utsava*-s, festivals have begun - Opportunities to offer our prayers and celebrate them (Ganesha Chaturthi & Navaratri) with delight and happiness as we revel in our ways of living.

With love and prayers,

Brahmavidananda
