Opening Words

It is that time of the year when the plan for the next edition of the Vedic Wisdom Festival is taking shape. This year it coincides with *Bhagavad Gītā Jayanti* and is on 3rd and 4th December 2022. We have a great line up of speakers all devoted to Vedic Wisdom and sharing its different aspects for a complete life.

The festival started as just an idea for people new to Vedic Wisdom to get a glimpse of its vast glory and see how life can be transformed through our own inheritance of Vedanta and the Vedic way of life through Ayurveda, *Vyākaraṇam* (Sanskrit grammar), *Pārāyaṇam* (Chanting) and so on. We wanted to create a bridge of learning for curious people to seeing the value of Vedic Wisdom. Some of you religiously attend. A few others have taken the next step of becoming a *Bhagavad Gītā* student with us and the existing students continue to find value. The festival has grown because you share it with friends and family just like you recommend a new product or a show or a course that has benefitted you. Please continue to spread the word so that more and more people can attend and benefit.

With love and prayers,
