Q) Imagine a place where the bad guy/villain gets a temple all to himself! There's a unique temple in India dedicated solely to X, a famous villain known for his clever tricks and smart moves. People often use X's name to describe someone who's really cunning. Legend says X found peace by praying to Lord Shiva right here, and there's even a big stone inside that people believe X used to sit on for his prayers. Although it might seem odd to honor a villain, this temple celebrates X's smart thinking and tough spirit. Locals from the Kurawar community don't really see him as a villain; they think he was just pushed by tough times to do what he did. Who is X?
